COMMENTS ON EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

Sir:

The Notice of Allowability issued on March 23, 2005 included, as an attachment, a statement of reasons for allowance.

However, not all of the noted patentable features are recited in each independent claim. For example, independent Claims 1 and 7 each recite a wiring member but not a wiring board. Nevertheless, Applicant respectfully submits that each of the pending claims is allowable for its combination of claimed features.

Applicant's undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Douglas W. Pinsky", is written over a horizontal line.
